Terms and conditions

1. General

terms

The following terms and conditions of sale apply to all orders and replace all previous versions published or printed.

2. Orders

Any order shall be deemed to be accepted and in force when the customer provides Pad's World, SL with the accepted and duly signed pro-forma invoice, along with the required advance payment and the corresponding artwork confirmation. For technical reasons, quantities invoiced in respect of any order may vary by 5% either more or less from the quantity ordered by the customer. The customer shall pay for the quantity actually delivered. A pro-forma shall be valid for a period of 30 days from the date of issue.

Any order confirmation notice shall be compulsorily in writing, via e-mail or fax. Any artwork is recommended to be thoroughly reviewed (images, data, text, etc.), before the customer accepts the artwork because, once it has been confirmed by the customer, Pad's World, SL shall not be held liable for any errors, misprints or omissions in the printing. The customer is the only party that shall be held liable for this failure. Any colour proof submitted by Pad's World, SL may slightly vary in the hue of colours from the finished printed product. This variation shall depend on the monitor used to see the proof and on your output device calibration. Confirmed artworks are directly printed on plastic, which is not 100% clear; accordingly, colours may vary. Upon customer request and given that prices do not include scanning, layout or art creation services, we shall offer these services provided that the customer accepts the charges quoted.

Pad's World, S.L. presupposes that any hallmarks, trademarks and other graphic signs contained within the artworks submitted by customers for reproduction, are duly licensed, entitled or authorised to be used for industrial and commercial purposes. Pad's World, SL shall not be liable for any claim arising out of this matter.

Production costs: flat colours without patterns or gradients shall be deemed spot colours. If the artwork includes patterns, gradients or shadows, it shall be deemed four-colour process (full-colour). White shall be deemed a colour too, since artworks are printed on transparent materials.

3. Prices

Prices set out in our Official Price List are shown in EUR [€] and exclude VAT. Pad's World, SL reserves the right to modify these prices without prior notice, especially due to possible fluctuations in raw material costs.

4. Lead time

The following lead times are for illustrative purpose only. Any lead time quoted shall be deemed to be met when the goods are ready for shipping. Any delay in delivery of an order shall not entitle the customer to cancel the order or to make any claim in this respect, under no circumstances.

Standard service: 20-30 days, counting from the day after the order and artwork confirmations have been noticed and the first instalment has been received.

Express service: we offer an urgent lead time of 10-15 days, counting from the day after the order and artwork confirmations have been noticed and the first instalment payment has been received. If this option is required by the order, a premium of 10% of the unit price shall be charged.

5. Carriage

For orders over €600 [VAT excluded], prices include shipping to one location in Spain or Balearic Islands.

It is now expressly stated that only the carrier shall be liable for delivering the goods to the location, in good condition, in every instance. Nevertheless, Pad's World, SL declares that it holds an insurance policy which ensures the shipped goods are covered in exceptional circumstances. Pad's World, SL shall bear no liability in respect of any delay in delivery attributable to the carrier, including strikes, adverse weather conditions, breakdowns, etc. as well as any other force majeure event. In that case, Pad's World, SL shall be expressly entitled to reasonably extend the agreed lead time.

6. Payments

A first instalment of 50% is required to confirm the order. The second instalment shall be paid in full before delivery. Payments shall be made to the bank account nominated in writing by Pad's World, SL. Pad's World, SL shall notify the customer by e-mail that the goods are finished and ready for shipping. Thereafter, the customer shall make the payment within a period of 15 days. If the customer fails to make the payment by the due date, then the customer shall pay interest on the overdue amount at the official reference rate. Anyway, Pad's World, SL is entitled to store the goods and charge the customer for this cost at €50 per month.

7. Incidents

a. The customer shall inspect all delivered goods on delivery and give Pad's World written notice of any incident, such as damage to goods in transit or lost of package(s), within 4 days of receiving the goods. No claims will be accepted after this date. However, in case the customer detects a hidden defect that could not be detected on a first inspection of the goods, the customer shall notify Pad's World the claim in writing within 30 days of receiving the goods.

b. In case of defective items, the goods shall be returned to the supplier at its expense, by a courier authorised by Pad's World, SL, with its prior authorisation for the return. No return of goods shall be accepted without authorisation, nor shall be the shipping costs paid if the return is made by a courier other than the expressly authorised by Pad's World, SL. If any part of the supplied goods is faulty or defective, the customer shall be only entitled to claim for that part, not for the whole order.

In the event that Pad's World, SL is not liable for the incident and a full or partial replacement of the supplied goods is requested, it shall be deemed as a new order. This order shall be managed and proceeded as provided in clause "6. Payment". Pad's World, SL is committed to process and manufacture any replacement arising out of an incident considering it as an "urgent" order to be served as soon as possible.

8. Warranty
